WORSHIP THIS SUNDAY

God’s power in raising Christ from the dead is the foundation for all that the church hopes and does. Based on readings from Ephesians and Revelation, Pastor Darrin will explore what it means to be a deep church.

COVID Policies: Over the past week, a few Shawnee Park households have tested positive for COVID. To increase our level of precautions, this morning we have the following plan:

- Increased flow of fresh air throughout the sanctuary.
- Masks are optional but welcomed for anyone, anywhere.
- For those needing extra protection, the right hand set of pews (when facing the sanctuary front) is reserved. In this section, participants are asked to sit in a socially distanced manner and wear a mask.

Today’s Offering is for: LCC Int’l Univ., Lithuania, LCC Stands with Ukraine—*LCC provides for the needs of its students who are affected by the Russian invasion of Ukraine. With your gift, you are directly helping to ease the stress and hardships faced by students because of this European war. Our missionaries, Pastor Joel and Hailey Altena both serve at LCC.*

Adult Education—Today, Dr. Jeffrey Weima, Professor of New Testament at Calvin Theological Seminary and member of Shawnee Park, will share his experience serving on the synodical committee that developed the Human Sexuality Report (which will be dealt with at the CRC Synod in June). He will interact with topics and questions that emerged from our recent Listening Circles. We will meet in the sanctuary at 10:45A.

FISCAL YEAR BUDGET

The 2022-23 fiscal year budget was approved by the Council. On May 1, we will have a meeting following the service to discuss any questions you may have about it, followed by a vote about whether or not to approve the budget. A copy of the budget was attached to the SFB this week. Hard copies are also available in the office. Please take some time before then to review it.
